Help Wanted

6 CARDINAL IG

TECHNICAL SERVICE ENGINEER
Cardinal IG, North America's leading supplier of insulating glass and glass products, is seeking a Technical Service Engineer at Cardinal IG's Technology Center near Minneapolis, MN. The engineer will be responsible for customer related problem solving and communication, writing of specifications and technical documents and facilitating communication between customers and production facilities.

The position requires an Engineering or other technical degree, as well as a minimum of 3 years of experience in a construction materials industry. Experience in window design, IG design and IG application in curtain wall or residential settings will be weighed strongly. Compensation commensurate on experience. Resumes and inquiries should be sent to Robert Grommesb at: rgrommesb@cardinalcorp.com.

REGIONAL SALES MANAGER

Hurd Windows and Doors

Independent Sales or Company Representative – AL, KY & TN

HWD Acquisition d/b/a Hurd Windows & Doors, along with our subsidiary Superseal Windows & Doors, is looking for an energetic Sales Professional to join our growing national brand of wood and vinyl products. Successful candidates will be responsible for developing new business for both new constructions and replacement. This person will also be maintaining new and established dealers in various markets throughout the U.S., with the primary focus being in AL, KY, and TN. Exceptional skills establishing and maintaining strong business relations is essential. Previous experience in the window industry, with key contacts is a plus. Typical activities in the course of business will include prospecting new business, assisting dealers with home shows, product presentations and training, as well as assisting with pull-through sales via builders and remodelers. Pay is based on commission from sales.

Resumes may be submitted online at www.hurd.com or sent to:
